

# MAJOR EMPLOYERS

Loudoun County, Virginia is located 25 miles west of Washington, D.C. and the Pentagon. As the home of Washington Dulles International Airport, this East Coast hub provides easy access to the world. Over the past decade Loudoun has been one of the fastest-growing job markets in the U.S. and today 9,000 businesses employ more than 130,000 people. Two hundred organizations employ 100 or more people.

*“The region’s labor market is unmatched, giving us a steady supply of highly skilled workers.”*  
*Jeffery E. Ganek, Chairman of Neustar*

*According to CNNMoney.com, Loudoun County, VA is one of the top U.S. locations “Where the Jobs Are”*

Many of Loudoun’s major employers are drawn here by large development sites offering room to grow. Plenty of available land makes Loudoun an ideal choice for corporate campuses and company consolidations.

A wide selection of real estate product types: office, industrial, flex and mixed use, provide custom settings for each of the diverse industry sectors in Loudoun’s distinct planned business corridors.

Major technology companies and federal government contractors also value the appeal of the highly visible Route 28 corridor, offering easy access to Washington Dulles International Airport and the rest of the Washington, D.C. metropolitan region.

The Route 606 Industrial corridor provides direct access to the adjacent Washington Dulles International Airport, the economic engine of the region.
